Dear Sir:

This Amendment is submitted in response to the non-final Office Action dated December 11, 2002 ("Office Action") in which the Examiner found that claims 4, 14, and 24 would be allowed if rewritten in independent form including the limitations of the base and intervening claims. The Examiner rejected claims 1-3, 5-13, 15-23, and 25-30 as anticipated (35 U.S.C. §102) by prior art. Applicant has amended claims 4, 14, and 24 to include the requirements of the base and intervening claims to place in condition for allowance. Applicant further traverses the prior art rejections and submit that all pending claims 1-30 are in condition for allowance for the reasons discussed herein.

The amendments herein are submitted according to the requirements in the revisions to 37 CFR §1.121 set forth in the Pre-OG Notice dated January 31, 2003, which waive the requirements of 37 CFR. §1.121.
